Basketball

Celyann CEARD

End-of-Studies Intern | Robotics, Embedded Systems & Mechanics

Available from March 2027 for a minimum of 22 weeks

Technical Skills

Programming Languages

Python · C · C++ · MATLAB · VAL3 · VHDL · SQL

IDEs & Development Environments

Visual Studio Code · Arduino IDE · Spyder · STM32CubeIDE · Keil µVision

Simulation & Modeling

Stäubli Robotics Suite · Simulink · LTspice · MapleSim · Tinkercad

Computer-Aided Design (CAD)

Creo Parametric · SOLIDWORKS

Additive Manufacturing

3D Printer Maintenance · Bambu Studio · Anycubic Slicer Next · Ultimaker Cura · PrusaSlicer · IdeaMaker

Software Development & Scripting

Development of custom tools, including a C-based piping application for Creo Parametric (Pro/TOOLKIT) and a Python/OpenCV video analysis tool

Leadership & Project Management

Team leadership · Multidisciplinary robotics project management · Event organization · Non-profit association management · Student mentoring and technical support

Industrial Engineering & Lean Manufacturing

Implementation of Lean methodologies (Kaizen, SMED, 5S, ...) · Workshop performance analysis and optimization · Development of Excel-based performance monitoring and analysis tools

Robotics & Embedded Systems

Design of autonomous robots (French Robotics Cup 2025 & 2026) · Programming of Stäubli TX40 and TX90 robotic arms · Development of an animatronic head using Arduino, ESP32, and Jetson Nano

Other Software

GanttProject · Adobe Creative Suite · Microsoft Office Suite

Expériences

- **President of a Student Association**
Since Feb. 2026 [RIR - \(Robotique des Ingénieurs de Roanne\)](#) Roanne
- **Fab Manager**
Since Feb. 2026 [Polytech Lyon](#) Technopole Diderot
- **French Robotics Cup Participant (2025 & 2026)**
From Sept. 2025 to May 2026 [RIR - \(Robotique des Ingénieurs de Roanne\)](#) Roanne
- **Industrial Methods & Process Engineering Intern**
From Sept. 2025 to Jan. 2026 [Legrand](#) Antibes
- **Personal Initiative Project (TIPE)**
From Mar. 2023 to July 2024 [CPGE PT](#) Nice
- **Basketball Referee (Departmental Level)**
From Sept. 2020 to Jun. 2021 [FFBB](#) Nice
- **Youth Basketball Coach**
From Oct. 2018 to Apr. 2019 [le 5 majeur](#) Tourrette-Levens

Education

- **5th-Year Engineering Student – Industrial Systems and Robotics**
Since July 2026 [Polytech Lyon](#) Roanne
- **PTSI-PT Preparatory Classes**
From Sept. 2022 to Jun. 2024 [Lycée Les Eucalyptus](#) Nice
Passed the Banque PT Competitive Entrance Examination
- **French General Baccalaureate**
From Sept. 2019 to July 2022 [Lycée Guillaume Apollinaire](#) Nice
Honors: High Honors
